LIMITED WARRANTY AND DISCLAIMER

Aquamira warrants all products to be free from defects in workmanship and materials for one year from the date of purchase by the consumer, or for the duration of the imprinted shelf life. Filter clogging or normal wear is not a defect. If you are not satisfied with the performance of an Aquamira product, Aquamira will repair or replace the product.

Aquamira Technologies, Inc. (Aquamira) hereby excludes any expressed or implied warranties of fitness for a particular purpose. The following is made in lieu of any such warranties: The information and specifications supplied by Aquamira are based on industry standards and are tested using standard laboratory test conditions which are accepted in the industry to be reliable. Aquamira does not guarantee that any result shown or claimed will be obtained. Before using any Aquamira product, the user shall determine the suitability and the fitness of the products for their intended use. The effectiveness of Aquamira products may be limited by environmental or hygienic conditions, such as use with contaminated hands, recontamination after filtration or treatment, failure to maintain a sterile mouthpiece or downstream equipment, sharing with multiple users, exposure to extreme environmental conditions such as heat, freezing, severe shock such as drops or other impact that may damage the integrity of filters, seals or connections. The user assumes all risk and liability in connection with its own tests and use. Aquamira shall not be liable for any injury, loss or damage, direct or consequential, resulting by or from the use, misuse, or inability to use Aquamira products.

INTRODUCTION

Thank you for purchasing the Aquamira Daily Chemical Protection Series IV replacement filter. The compact size, system compatibility and ease of use make it ideal for use in the office, home, or on the go.

The Chemical Series IV filter is designed for use in office or home conditions is designed to provide maximum protection from toxic chemicals that may be present in your drinking water.

FEATURES

- Series IV filter cartridge is compatible with the Aquamira Frontier Max and Shift Cap filtration systems

HOW TO USE

- Upon first use: Rinse filter under running tap water for a minimum of 1 minute to condition filter and remove carbon fines.
- Simply insert the o-ring end of the Series IV filter into the sealing cup of your Frontier Max or Shift Cap filtration systems. Then, seal it up, fill it up, and drink it up.

MAINTENANCE AND STORAGE

Filter Storage

- Store filter wet in the the Series IV device or in a sealed plastic bag. Do not allow filter to dry completely.
- For long term storage, store wet in a sealed container in the refrigerator or cool area.
- Do not freeze filter or expose filter to extreme temperatures.

Note: DO NOT FREEZE. Freezing a wetted filter may damage the filter media and compromise filter integrity.

TECH SPECS | FILTER CARTRIDGES

SERVICE LIFE | 50 Gal. (189 L) or 3 Months

FLOW RATE | up to 800 ml/min

OPERATING TEMPERATURES | 35–120° F (1.6–49° C)

OPERATING PRESSURES | 0–3 psi (0–0.211 kg f/cm²)
